Re-directed letters which are re-posted later than the day after delivery will be liable to charge at the prepaid rate; any which appear to have been opened will be charged as freshly posted unpaid letters.

### NEWSPAPERS-(Inland).

- Newspapers.—For each Newspaper..... $\frac{1}{2}d$ .

Nothing whatever may be attached, except adhesive stamps in payment of additional postage or stamp duty, and a gummed label (not to exceed 2 inches long and \(\frac{3}{4}\) inch wide) bearing the address at which the card is to be delivered. The card may not be folded, nor may it be cut or altered in such a way as to reduce the size below \(\frac{3}{4}\) by \(\frac{3}{4}\) inches. If any of these rules be infringed, the card is treated as a letter liable on delivery to the usual charges.

Private Cards prepaid \(\frac{1}{2}\)d. each can also be used as Post Cards. They must be composed of ordinary cardboard, not thicker than the material used for the Official Post Card. The maximum size must correspond as nearly as may be to the size of the Inland Official Card, and the minimum size must not be less than \(\frac{3}{2}\)† by \(2\)\frac{1}{2}\) inches. ### PARCEL POST-(Inland).

Not exceeding 1 lb. in weight -	-		-	-	3d.
For each additional lb. up to 11 lbs.	-	-		-	1d.

(lbs. 10 and 11 being counted and charged for as 1 lb.)

No parcel can be sent exceeding 11 lbs, in weight.

The following are the principal conditions and regulations:

The size allowed for an Inland Postal Parcel is-

Greatest length	-	-	-	-	-	3 ft. 6 in.
Greatest length a	nd girt	h combir	ned	-	-	6 ft. 0 in.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a pareel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a packet bearing the words "Parcel Post," or otherwise clearly marked as intended for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid, and is otherwise in accordance with the letter post regulations. If such a packet is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

#### INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 120l. for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2d.; and the scale of fees, and the respective limits of compensation are as follow:—
